Message from our Pastor

I thought it would be good to give all a refresher on the message that was given on Christmas Eve and Christmas day. One of the thoughts I spoke about, was the cause and effect of “the Word becoming flesh and living among us, full of grace and truth.” I said that, “because of Jesus, our lives are irrevocably changed and transformed, because God’s love touched our lives with a love that will never end.” I also quoted Frederick Buechner who wrote, “The birth of Jesus made possible not just a new way of understanding life, but a new way of living it.”

As I reflect back on my life of faith, it has been a series of “cause and effect” encounters with more people than I can count, who have been touched by the love God, through the love and grace of Jesus in their lives. Because their lives were touched and changed by that love, it made it possible for them to give witness to God’s love in Christ to me. Many of those encounters, were “thin places”, they were glimpses, they were simple gestures. Christ’s love touched my life through others, through the extension of empathy or a word of encouragement. I experienced the love of Christ through wisdom and through the stories of faith and life lived by others as they discerned God’s presence in their lives.

Relationships have been birthed, grown and matured because of the reality of Christ’s love in our lives. I am grateful for the people I have had the privilege to sojourn with on this grace filled life. In the Christmas message I stated, “I am grateful for all the people who have been touched by this love story of Jesus, who because of Jesus, ‘took on a new way of living life’. Those people touched my life with their witness, so that I could experience those ‘thin places’ where God’s love was revealed to me.” Because of their lives and their witness, the love story of God was planted in my life and in my heart and it found a home in me.

Message from our Pastor *cont'd pg. 1*

I also quoted Frederick Buechner, where he wrote, “Once we have seen Him in a stable, we cannot be sure where He will appear or to what lengths He will go or to what ludicrous depths of self-humiliation He will descend in His wild pursuit of humankind.” I believe this means at least two things. 1) Jesus can come to us anywhere, and we should be receptive to those unexpected and surprising ways, places and people where we see and experience Jesus. 2) It means, God’s pursuit and God’s love for us is relentless. God will never stop pursuing us and never stop loving us.

Thoughts for reflection and pondering, as we heard in the nativity story. “Mary treasured all these words and pondered them in her heart.”

Looking forward to seeing several more of our winter visitors, who will be joining us in January. We normally see a nice increase in worship over the months of January, February and March. The Women of Winter gathering will be coming around soon, so pay attention to that opportunity.

We are always looking for more folks to serve in a variety of ways with worship. Greeters, ushers, lectors and communion servers are always needed. There is a sign-up sheet on the kiosk in the narthex and those areas where needed is usually highlighted in yellow.

Thanks to all who participated and rang the bells for Salvation Army. Eager to hear how the giving was this year. The Christmas Eve worships were moving and someone told me, it was the best Christmas Eve worship he had ever attended and participated in. That was the 6:00 pm worship with the Chancel Choir and the Bell Choir. A very inspiring Silent Night hymn with the bells, candlelight, Peace, Peace, Peace by the choir and the verses being sung by the congregation.

May you live fully into the grace and truth that abounds and surrounds us every moment of our lives.

Pastor Craig

WOW (Women of Winter) Bible Study

Coming soon!

The Women of Winter Bible Study will be starting on Tuesday, January 17th.

All are welcome – no need to pre-register. The study we have chosen for this season is entitled “Having a Mary Heart in a Martha World”. It is authored by Joanna Weaver, a pastor’s wife from Montana. We will delve into the busyness, and daily demands of our “Martha side”, when sometimes we just long to be a “Mary”, and sit at the Lord’s feet. Participants are encouraged to purchase a book, which will be available at our first session for \$10.00. The study will be DVD-guided, and study sheets will be provided for break-out sessions. The bible study is formatted for 10 weeks, and schedule will be adjusted as needed. We DO know that there will not be a meeting on Tuesday, February 14th due to setting up for the White Burro Sale.

We hope to see you beginning Tuesday, January 17th at 9 A.M. in the Friendship Café. May the Lord bless our time together as we discover the Mary and Martha in all of us.

Yours in Christ,

Roberta Bayles 928-478-4015 and Mary Seim 307-331-4949

MOL Network Table Final Project Work and Future Plans

Our Network Table is in the final push to wrap up projects for the year. The Windows and Doors team has almost finished the fundraising for Guiding Light Christian Educational Center's new doors. The down payment has been made; the doors are on their way. The Fall Zone team is wrapping up the final touches on some safety projects for Guiding Light's outdoor playground. The Periodontal team is assisting a Guiding Light staff member with a final estimate on required dental work.

HELP NEEDED! The Periodontal team, with assistance from other table members, will be raising funds for the Guiding Light staff member's dental work through a "go-fund-me"-like online fundraising platform. When you see information about this, please forward it through your social media accounts. Information and instructions will be sent later.

The table members are having conversations with Guiding Light about future collaboration after the table wraps up. If you have an interest in supporting a child care center (in a non-fundraising sort of way!), please speak with any of the table members. We will welcome new people to our second phase of mutual ministry!

Blessings to you all in the New Year!

Jen Clark, Kim Corbin, Shelly Hales, Kelly Hays-Thorson, Kris Kidder, Rita Kidder, Susan Leifer, and Linda Paquette.
