Message from our Pastor

I don't know about you, but as for me, I am looking forward to the cooler temperatures in the coming months. **Enough of this triple digit weather.** Kim and I were having a conversation with our daughter Grace a few days ago in the early evening hours. It was still 95 degrees here and we asked, "what are you doing?" Grace replied, "I'm sitting outside in the cold waiting for the cat to come home." Cold for her at that particular hour was 48 degrees. That's the reality of evenings in southern Minnesota and it will continue to get progressively cooler, I guarantee it. By the way, the cat did come home, as we chatted.

There are other things I am looking forward to as well. I am looking forward to the return of the winter visitors. For me, it is uplifting to see the pews a bit more filled during those winter months. Although, I stopped counting a long time ago, there is something to be said about worshipping and gathering with a larger group of people. The hymns and songs are more robust, the choir has a more balanced sound. The praise band has more instruments and voices to share. The Bell choir provides an added component to our worship experience and the fellowship seems to be more festive.

Obviously, the pandemic has taken its toll. Not only have we lost members of our church family to this nasty virus, we have also suffered a reduction in parish participation in many areas of our life together. We are not alone, many congregations, even in our Grand Canyon Synod have felt the effects of the Covid 19 Pandemic. Livestreaming is here to stay, and yes, it is a blessing for a lot of people, who otherwise would not have the opportunity to worship with us. It has also made it easier for people to simply stay home and experience worship in the comfort of their living room. (Positive / Negative???) It has also been a wonderful tool for staying in touch and maintaining the relationship with many of our winter visitors who choose to tune in on a regular basis. When the time is right for you, we are looking forward to having you back in the pew someday. For now, we are glad that livestreaming is working for you and is providing a meaningful worship experience for you.

Message from our Pastor *cont'd pg. 1*

Changing directions and subject matter: A few things you should know. The church council is adopting a new fundraising policy. So, if you have intentions of hosting any kind of fundraising event you will need to stop by the church office and pick up an application form and have it returned to the office for the council to review and consider, a minimum of 30 days prior to the event and 5 days prior to the council meeting in which the application is to be reviewed. The council meets the third Tuesday of each month. It is highly recommended that you consider having the application in 60 days prior to the event, for a proper approval timeline. We also ask that the (Donee) or recipient of the raised funds be identified. It helps with the PR aspect of promoting the fundraiser.

One of the other realities we face, with some of the ramifications and effects from the pandemic, is a lessening of the revenue stream for the general operating budget. We are usually in “the red” this time of year, but normally, not to this extent. End of September 2022 we were in “the red” a little over \$17,000. **Transparency is our best practice, we simply want to keep you informed and in the know.** We want to encourage you to consider some of the giving options that are available to you even if you are not attending in person on a regular basis. The best options are electronic giving through our website, or an automatic withdrawal from your bank account with a bank check or electronic fund transfer through Vanco Services. Check with Wanda in the church office if you have questions on how you can have some of these options set up. We now, also have, a bar code scan that can be accessed with your cellphone. Jen and Wanda can help you with that as well. Of course, good old snail mail still works, as well as, dropping off your offerings at the church office.

Lots of things coming up: **Fall Holiday Boutique** with all proceeds going to the local food bank. Still need lots of volunteers for set up, and for the days of the sale. **Trunk or Treat** on October 31. Consider bringing your car and handing out goodies to the young people. The **semi-annual Quilt Sale**, and **Woodworkers Sale, Fall Fun Fair** at Rotary Park, **Cribbage Tournament** and of course, **Thanksgiving Day** with family gatherings. Kim and I are looking forward to this day, especially, as it will be a family affair for us this year.

Grace and Peace,

Pastor Craig

Event Coordinator Message

October 2022

Welcome to Fall and several of our seasonal visitors! It's wonderful to see the church bustling with activities and meeting groups all catching back up after the warm summer months! Our Choirs have returned, Quilting is meeting again, a new exciting opportunity for volunteering and shopping- We invite you to the Fall Boutique! There are plenty of ways to get involved and join in on the volunteering or shopping experience!

I would like to introduce something new for all of our amazing people here at Mount Olive: Mount Olive Lutheran Church has numerous great organizations and events that make it an enjoyable and fun place to Worship as well as an active, supportive place to be involved with the community and congregational events.

Much of the work for our community and event activities is provided through the generosity of the caring residents of MOLC who donate their time. Mount Olive is thankful for all that our community-minded volunteers do. It's truly God's work our hands. Many of our events and initiatives wouldn't succeed without their generosity. The amount of time and resources that our volunteers pour into the community and our congregation is remarkable and has a tremendous impact on our residents and businesses here in Lake Havasu. Mount Olive created this program to thank those individuals and to bring to light the vast amount of time and resources that are generously given each month.

Who is Eligible and How do I Nominate Someone? Anybody who volunteers their time to improve the City, community or our congregation is eligible to receive this award. When choosing the nominee, the selection will be based on the type of work they have done and the impact it has had on the community. Any individual can be nominated for this award. Nominations for this award will be accepted monthly and are due by the end of each month. You can fill out our form online at www.mtolc.com/volunteer-submission, forms will also be available in the Narthex. Awards will be announced the following month on the Second Wednesday of the month on our social media outlets like Facebook, Instagram and LinkedIn as well as a special screen and information at services.

10/31 from 4:30-7:30pm TRUNK OR TREAT! Join us for dinner and fellowship as we decorate our cars and get ready to pass out candy to some spooky characters! Please remember during this time we want to welcome families and their children, some children have unseen disabilities and this may be an overwhelming experience for them. Parents are doing their best to give them a fulfilling childhood experience and it may be difficult to understand why some children may not say thank you, be more shy, or struggle with activities. Parents have chosen our trunk or treat as an opportunity to let their struggling kids have traditional experiences. We welcome all and Share God's love by being a place of peace and love for these families.

I look forward to seeing you all! Please continue to visit our website www.mtolc.com to see the latest news, events, updates and more! Always on Facebook, Instagram, LinkedIn and YouTube!

Council Meeting Minutes

August 16, 2022

Absent: Colleen, Mikael

I. Call to order Meeting was called to order at 7:01PM. Pastor Craig shared prayer and Mike gave devotions.

II. Standing Agenda Items:

A. Kris asked to add to New Business Arizona Sonshine Free Health Clinic. Butch made motion to adopt agenda with changes. Karol seconded. Agenda approved.

B. Kris moved to approve July meeting minutes. Janet seconded. Minutes approved.

C. Correspondence: none to report

D. Financial Report: Steve shared that income continues to be 6% - 9% under budget each month. July's income figures were lower because deposit wasn't done until August 1. He gave a brief review of our mortgage payment including extra paid towards principal.

1. Budget worksheets for 2023 will be distributed Sept 10th.

2. He predicts employee benefits package will increase 3%.

E. Coffee with Council feedback: Kris said there are some concerns over doing live streaming. This could be a reason giving is down. People are wondering if the council has talked about ways to get people back in church. Use the van to pick people up. A concern was raised if anyone is doing home communion. Some say the hymns at the traditional service are unfamiliar. All concerns were acknowledged by members.

F. Consent Agenda: Reports from Event Coordinator, Pastor, Family Fellowship, Outreach, Network Table and Christian Ed. Kris and Shelly requested Network Table Report be pulled for further review. Shelly made motion to accept Consent Agenda as amended. Butch seconded. Passed

Kris reported more specifics about the progress on the 3 priority needs at Guiding Light Child Care Center. She showed pictures of the 10 completed windows that Advantage Glass installed and the playground Fall Zone areas. There has been great progress since last month! The teacher who needs the dental work has made contact with the dentist Jim suggested. Jim made comments about increasing fund raising efforts beyond money raised from MOLC activities. There needs to be more effort made to reach out to the community for donations.

MOUNT OLIVE LUTHERAN CHURCH

Council Meeting Minutes

August 16, 2022

III. Unfinished Business:

Fund Raising Policy: Jim stated members should review the draft he gave everyone copies of and email him with any concerns or changes. Form is straight forward asking for who is requesting the event, the date, purpose and location. This must be filled out for every fund raiser and be submitted for council approval a month in advance.

The \$2000 given to Arizona Children's Assoc. from the Burro Sale has been returned. Steve made contact with the committee and they are in favor of donating the money to Network Table. Jim cautioned NOT spending this money before other fund raising is done so that it can be used, if needed, after getting money from other sources. Shelly made a motion to approve giving money to Network Table. Mary seconded. Motion carried.

IV. New Business:

Plumbing: in the new building has been a property issue for 2 years. There were leaks fixed in 2020 and 2021 Kenan Supply sent reimbursement for faulty pipe. Hot water lines in the ceiling still have recurring leaks. All documentation has been saved and submitted. Manufacturer has responded in a timely manner. These pipes are accessible.

Music Personnel: Bryant submitted a letter of resignation as choir director. He wants to continue doing accompanying. A new job description has been created for just choir director. There is a person interested in the position. A weekly salary will be set. Karol made motion to hire choir director and Mike seconded. Motion passed.

Arizona Sonshine: Kris handed out flyers and explained the free health clinic sponsored by Seventh-day Adventist Church. This is the first time this event has been done in Havasu. She plans to volunteer.

V. Call to congregation:

VI. Closing:

Walk on items: Question was asked to clarify alcohol use on the church campus for the Fellowship Committee. The policy reads people renting our facility cannot have alcohol on the premises. We can sponsor activities, but a temporary alcohol license is required along with city and county permits.

Adjourn: Butch made motion to adjourn at 8:15 PM Shelly seconded. Lord's Prayer followed.

Next Meeting date **September 20,2022**

Prayerfully submitted by Shelly Hales council secretary
