## Message from our Pastor

We had a robust February, with a couple of significant events. We gathered for a special congregational meeting on Sunday, February 5, 2023 and made the decision to pay off the remaining balance of the mortgage. With principal and interest, the final payment was a little over \$166,000. This payoff was made possible because of an "anonymous gift" specifically given for the purpose of paying off the remaining balance, after the \$50,000 Challenge Fund was completed.

Once all the final paperwork is processed with the mortgage company and the county, we should be receiving official notice of the mortgage lien being cleared. We plan to have some kind of ceremonial burning of the mortgage at a future date, so stay tuned.

**Burro Sale:** The White Burro Sale is behind us now. Thank you!! to every person who had anything to do with planning, organizing, setting up, cooking, supporting one another during the sale and for packing and taking down everything after the sale. It was another learning year in many ways, as this has become a congregational project. We plan to tweak the process in the months ahead and look for ways of making the sale an even smoother process. We raised a little over \$5,000 dollars. We have agencies and groups identified who will be the recipients of the funds, however, a final church council approval will be necessary for the funds to be distributed.

**Midweek Lenten Services:** We have entered into the season of Lent. We will be gathering on Wednesdays for Midweek Lenten observance. It has been our tradition to gather for Soup lunches and Soup suppers prior to each worship. We still need more people to sign up for soup offerings and set-up and clean-up responsibilities. The sign-up sheets are in the Narthex, please consider sharing one of your favorite soup recipes with us during this time.

## Message from our Pastor *cont'd pg. 1*

During our midweek Lenten worship services we will be utilizing portions of Holden Evening Prayer. We have asked 5 people from the congregation to share a faith journey testimonial with us each week. Jesus meets us where we are in every circumstance in life. Whether it be a health challenge, relationship challenges, spiritual discernment / direction, family dynamics, or an unexpected emergency-accident-incident. These are the stories and experiences that shape us, affect us and cause us to ask and consider the presence of Jesus in the midst of them. We look forward to hearing these testimonials in the weeks ahead during the midweek Lenten services.

**General Fund Giving:** Once again, I am reiterating the challenge and request to the membership who were giving and supporting the building fund over these past years. If you have not already done so, we ask that you consider supporting the general fund with the financial support you had been giving to the Building Fund. As mentioned in February, we ended 2022 with a deficit general fund of over \$13,000. In order to end the year 2022 with a balanced budget, we transferred funds from the Capital Fund Reserve to cover the deficit spending. We plan on avoiding that situation this year. The additional funding generated from former Building fund giving, now designated for General Fund should bring us into a positive balance in years to come.

**Challenge to Growth Give:** Something for all of us to consider is the concept and practice of growth giving. Generally, most people know their giving pattern and their revenue sources. As an example, if your revenue source is \$1500 per month, your regular giving to the church is \$75 / month or equivalent to 5%. Increased giving to 5.5% would be, \$82.50 / month. 6% would be, \$90 per month. Something for all of us to consider. If we all gave, even a minor increase in giving per month it would go a long way towards securing a healthy general fund balance. Something for us all to consider.

Grace and Peace,

Pastor Craig

## QUILTERS' SALE

The Mount Olive Quilters (originally Lutheran World Relief Quilters) are planning their next sale for March 17-18 from 9 am to 2 pm in the Café/Lakeside Room. The group has some talented (including new members) ladies doing some beautiful quilts of all sizes and colors.

Unless, we can still acquire volunteers to transport LWR quilts to the MN warehouse, we plan to contribute monies from the Sale to LWR for their quilt distribution expenses, in keeping with origin goals.

## White Burro Sale Update

Whew! What a week... being a first-time volunteer at the sale is a bit overwhelming. But first the important news: just over \$5050 in sales were collected during the three-day sale. We know of a few additional sales that will be trickling in, but with the minimal expenses incurred this year we are confident that we will be able to distribute **\$5000 in proceeds** from this sale to the community this year. Thanks be to God!

You probably noted that “we” is used throughout the first paragraph. The reason is simple; this was a collective effort. A quick count shows **volunteers put in over 1200 hours** during the week to make this event a success. This is truly an example of “God’s Work, Our Hands” in action.

If you’re still reading this, please indulge me as I share a few personal observations from the week. One of the first things that surprised me was the number of volunteers involved behind the scenes. I had shopped at the sale many times but had no idea what took place to get ready. Just days before set-up was to begin, it seemed as though nothing was organized and nobody was ready... then poof! People and tables and clothing racks and more tables and hundreds of clothes hangers and rolls of masking tape appear as if conjured from thin air! Donation days are filled with sorting and organizing, pricing and rearranging. Is this item boutique worthy? My head was spinning.

And did you know that there are kitchen angels that show up early every day to nurture their fellow workers? These special ladies provide coffee, snacks, hot food, and love. Their caring presence sure boosted our spirits. The many ways that our members come together in service to others is truly amazing to experience.

*Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers. Galatians 6: 10*

The most unique thing to witness, however, was the collaborative process these long-time volunteers have developed over the many years they have worked together. There is no formal “leader” for this group because the department heads cooperate in their decision making. Each one knows what to do and who to call upon to get it done. The department heads work together as donations come in to adjust displays and reallocate space. New volunteers are welcomed and shown the ropes. All work together in service to others. Discussions occur and consensus is reached. Leader? Might as well try to herd cats! Inevitably, mistakes were made; with so many involved things are bound to be overlooked. We are all imperfect people, after all, and grace is plentiful here.

While it is all still fresh in our minds, we are having a short **follow-up meeting on March 5<sup>th</sup> from 9:15 to 9:45** in the Fireside Room. We want to hear your feedback, so please stop by between church services and let us know how we can do better next year. We hope to see you there.

In His Service,  
Steve Philo

### ***Funding for Network Table Expansion in Arizona and Lake Havasu City***

Last month, we talked about how Mount Olive’s Network Table has successfully created momentum for more network tables for childcare centers around the state of Arizona. Briefly, we’d like to share how tables are financed.

***Open Table*** (the national training organization based in Phoenix) trains and supports table members to enable them to effectively assist individuals or organizations like childcare centers for a year. As a non-profit, ***Open Table*** trains and supports one table for about \$8,000 to \$10,000. In Mount Olive’s case, as the first pilot of a new model, ***Open Table trained and supported our network table for FREE!***

The \$8,000 to \$10,000 cost for training and support is normally paid to ***Open Table*** by the organization receiving the training (like a church). ***Open Table*** is pursuing alternative ways to pay for their services. They have received grants to cover the training/support costs for 10-15 new network tables in Arizona.

In Lake Havasu City, ***Open Table*** applied for a grant from the city to cover the training/support costs for new network tables like ours. ***Open Table received a \$50,000 grant to train and support 5 new network tables in Lake Havasu*** for other local childcare centers. These funds are to cover ***Open Table’s*** recruiting/training/support costs and are not for childcare center projects being met by the network tables. The network tables are responsible for seeking in-kind donations, volunteer services, and fundraisers to meet the childcare centers’ needs.

If you have any questions on what we are doing, or how the table operates, please ask any of the table members. We’d love to share our work with you!

The Periodontal team, with assistance from other table members, will be sponsoring the Easter Breakfast this year to raise funds for the Guiding Light staff member’s dental work. Please invite your family, friends and neighbors to join us! We will also be running an on-line donation campaign. Please watch for this as well.

Jen Clark, Kim Corbin, Shelly Hales, Kelly Hays-Thorson, Kris Kidder, Rita Kidder, Susan Leifer, and Linda Paquette.

## Council Meeting Minutes

January 17<sup>th</sup>, 2023

### NEW BUSINESS:

Kim Corbin was present to give an update on the progress of the priority needs Network Table members are working on for Guiding Light. The playground fall zone areas are finished! All new windows are in place! The work on doors is moving forward. The dental treatment for the staff member at GLCEC is still needed. Many weeks went by while several appointments occurred to find the lowest cost. Kim shared that this treatment is such a crucial need for the health of the staff member that we want it to happen as soon as possible. If we tried to do fund raising first, the treatment would be delayed. Network Table requests a LOAN from the church because Aspen Dental wants to be paid in full before the dental work can begin. Steve stated the easiest place to deposit money in to repay the loan would be to take the money from The Humanitarian Fund. Shelly made motion to loan Network Table UP TO \$4500.00 to be paid back as soon as possible. Mary seconded. Motion passed.

Fund raising form from Quilters for their sale on March 17<sup>th</sup> and 18<sup>th</sup> is included in packet. Butch made motion to approve the sale. Colleen seconded. Council approves Quilt sale. Proceeds will go to LWR (Lutheran World Relief).

Anonymous gift to completely pay off the debt was given. Special congregational meeting has been called for Feb. 5<sup>th</sup> where a motion to pay off the mortgage will be presented and voted on. Council must decide to end offerings to the building fund. Butch made motion to suspend donations to the debt reduction fund at end of January. Mary seconded. Discussion included encouraging people to continue giving the same amount each month as they have been so that money goes into the general fund in the future. Can we give people other options if they don't want to give to the general fund? Not a good idea. The objective is to decrease our deficit. Motion passes. Jim indicated the Executive officers have met with the intention of addressing long range planning.

Closing:

Kris made motion to adjourn. Colleen seconded. Meeting adjourned with Lord's Prayer at 8:02PM.

Minutes respectfully submitted by Shelly Hales, secretary.
