Message from our Pastor

As a congregation, we are transitioning into our summer mode. Many of our ministry groups and committees temporarily discontinue their activities and meetings. We have a fair amount of membership who take some trips and extended stays to places where the heat is less intense. Worship life takes on a different feel with significantly fewer people in attendance. My suggestion is, let's try and be a bit more community minded when we gather. Sitting in the middle two larger sections would give us a greater sense of community. And our joint singing and worship expression might actually be heard. Just a suggestion. No forced marches.

It is going to be an active summer with a lot of youth activities taking center stage. The mission trip to Puerto Rico is closing in quickly. We are scheduled to leave Las Vegas late on the evening of June 11 and return late on Friday, June 17th. Praying for all to be healthy and Covid free, as we will be testing before we leave. While in Puerto Rico, we will be serving in the city of Arecibo, a smaller city of about 90,000 people. We will be working with a mission trip program called Youthworks. They have been engaged with Puerto Rico since 2003, as they have partnered with several local churches and organizations. We will be engaged in some building projects, food pantry outreach and children's programs. This is a first-time flying adventure for some of our youth and a first-time mission trip for most. Prayers and good thoughts for our anxious youth as they venture off into a new mission adventure. May we learn and be transformed by this gospel experience of sharing the love and compassion of Christ with those we meet, encounter, and work with on this trip.

Message from our Pastor *cont'd pg. 1*

We will also be celebrating the “rite of confirmation” with four youth from our congregation, coming before the congregation on June 26th at the 10 a.m. worship. This is a significant faith affirming event for these young people and we will continue to support, encourage, teach and mentor them on their faith journey throughout their high school years. There will also be a baptism on that weekend and we look forward to that special event in the life of our congregation.

Summer camp will be on the heels of this trip and the confirmation celebration. We have a healthy representation for Campformation this year, with 14 people going to camp from Mount Olive, 3 adults and 11 young persons. Most of the youth who will be attending are first time campers so keep them in your thoughts and prayers for calm, patience and a spirit of anticipation for a fruitful and faith filled camp experience.

Vacation Bible School is moving to July this year and we will be actively recruiting a lot of volunteers as we are planning to have a full-fledged VBS program, much like what we have had in years past with multiple stations throughout the evening. **The dates for VBS are the week of July 11-15**, so reserve the dates and find a way to be a part of our VBS team.

Kim and I looking forward to a few days in Seattle with our son Zach from June 8-11, as he will be graduating from Seattle Pacific University with a Masters of Education. Yes, we are proud of our adult children and the paths in life they are being called to live.

In this season of Pentecost, be attentive to the presence of the Holy Spirit in your daily walk.

Grace and Peace, Pastor Craig

A note from Pam Anderson

Thanks to all the Mount Olive prayer warriors, who have been praying for my brother, Jerry Cupps.

After 2 1/2 months, since suffering a brain bleed, surgery and a stroke, he is now home and able to walk with a cane.

Jerry sincerely thanks everyone for their prayers and the beautiful prayer shawl and palm cross. He was so touched that people from Mount Olive who prayed for him.

Praise and thanks be to God!

In Christ,

Pam Anderson

Network Table's Fifth Month working with Guiding Light Christian Educational Center: GRADUATION!

Guiding Light Christian Educational Center held a graduation ceremony for their kids moving on to kindergarten in the fall. It was a lovely day for a playground packed with moms, dads, brothers, sisters, aunts, uncles, grandpas, grandmas and many other amazing caregivers. It was truly evident the love and support surrounding these kids. Wish you all could have been there! This is why our Table pushes forward to support Guiding Light in their mission to the kids of Havasu.

Our Table is more excited and enthusiastic every week. It hardly seems possible! We continue to learn, reach out to connections, and are stretched in amazing ways. God is very good! We'd love to share our experiences. Please ask us! ***(Reminder: windows, doors, periodontic work, playground fall zones!)***

Jen Clark, Kim Corbin, Shelly Hales, Kelly Hays-Thorson, Kris Kidder, Rita Kidder, Susan Leifer, and Linda Paquette.

**The Friendship Café
OPEN**

Sunday, 7am to Noon

Come join your friends for a cup of coffee and more.

We will be meeting in the Fire Side Room on Tuesday, June 14th, 2022, at 10 A.M.

This is the hot summer when very few people want to go out and face the weather, but if we hurry to leave our air conditioned houses and run to our air conditioned cars and drive the speed limit to the church, we will find ourselves having a pleasant time with people who are crocheting and knitting and laughing and talking. (We are blessed that the Fireside Room is also equipped with AIR CONDITIONING!!)

We are asking our crocheters and knitters to bring a few patterns to this meeting and we will have a pattern exchange. That should add to the fun or the chaos -- maybe both. I look forward to seeing all of you there.

If you find yourselves feeling like you need a shawl, or know of someone else you would like to give a shawl to, phone Kathy Sporre at 928-855-1704, Jerry Bodnar at 928-680-1847 or Dorothy Schneider at 928-453-8560. There is no cost involved for the person who asks for the shawls or for the person who receives the shawls. We make them and we give them away.

This is our Ministry.

Council Meeting Minutes

April 19th, 2022

Absent: Kris K.

I. Call to order President Jim Day called meeting to order at 7:00PM. Pastor shared opening prayer then Jeff read his devotion choice.

II. Standing Agenda Items:

A. Agenda: Jim called for additions to agenda. Two items need to be added under new business: Columbarium and Hymns and Hops Fest (sample flyer handed out) Butch made motion to adopt agenda with additional topics. Steve seconded. Agenda was approved.

B. Minutes: Karol made the motion to approve the minutes from last month and Shelly seconded. Minutes for March approved without corrections.

C. Correspondence: Butch shared a thank you note from Faith and Grace.

D. Financial Report: Steve explained that he discovered an error in the 2022 budget. It was previously reported that offerings were down compared to last year. This error caused the figures to appear that way. The \$11,000 insurance bill also effects the bottom line. There is a shortfall in unrestricted funds. The current state of the economy causes some people to put giving as a low priority. Butch made the motion to approve the financial report and Janet seconded. All in favor. Motion carried.

E. Coffee with Council feedback: no report

F. Consent Agenda: Reports were turned in from **W**orship **B**oard, Pastor, Outreach, Property Board and our Event Coordinator. Pastor asked to pull the **W**orship **B**oard Report. Mary made a motion to accept the Consent Agenda with the WB report pulled for discussion. Butch seconded. Motion passes.

The recommendation from the **WB** is that we return to some of the traditional practices of passing the plate (starting May 1) and communing at the altar rail (starting June 1). As mentioned at previous meetings, Jim shared he has trouble getting ushers. After some discussion of time needed to get a list of ushers and time needed to train them, Jim made a motion to return to passing of the offering plate on June 1. Karol seconded. Motion passes. Jim also made motion to commune at the rail as of June 1 and Shelly seconded. This motion also passed.

III. Unfinished Business:

Funds from Burro Sale: Leslie sent a breakdown of what charities the funds will go to with the council packet a week ago. There were questions from Jim, Susan and Shelly regarding how these particular groups were chosen. She said she talked to several people who helped with the sale on the phone or in person. Steve made a motion that she go back and have an official meeting with a committee. Janet seconded. Motion carried.

Organ Sound: Butch researched ways to increase the sound of the organ. Live Stream viewers have said they can't hear it very well. There isn't an output jack to put a cable into on the organ. He was told the best way to fix the issue is to put a microphone by the speakers. He will continue to research the best way to accomplish this task.

Board and Committee Structure: Steve emailed info to council members about our current structure. We will revisit this.

IV. New Business:

How to Process Funds for Network Table projects: Steve stated that supporting the Network Table's projects are part of our mission so a restricted fund can be set up specifically for the funds that people choose to donate. These funds can then be given to pay for the priority needs of Guiding Light Christian Education Center.

Prep for Annual Meeting on May 1: Quick review of what will happen that Sunday. Voting for 4 council members and 1 Planned Giving and Endowment board member. There will be a quick meeting after that with the newly elected council members and all the others to decide officers.

MOUNT OLIVE LUTHERAN CHURCH

Council Meeting Minutes

April 19th, 2022

Employee Handbook Revisions: Steve reviewed the changes done. Document was shared previously via email. One of the changes includes employee evaluations being done in September yearly. Raises will be based on exceptional performance. Doing this process in September allows the corresponding raise to be included in the next year's budget proposal. Steve made a motion to approve this draft with the addition of gender specific language. Leslie seconded. Motion passed.

Record Retention Revisions : Tabled for next meeting.

Server Workstation Upgrade Proposal: It has been discovered that the new laptop purchased needs more upgrades and all the office workstation software needs upgrading. The cost could reach the \$10,000 limit. The congregation must vote at the May 1 meeting. Steve will put together necessary info. Steve made a motion to seek a congregational vote to approve this expenditure. Leslie seconded. Motion passed.

Synod Assembly Reps: Pastor indicated this convention is June 10, 11 in the Mesa area. He recommended deciding on the reps to attend this event each year be a standard item on the agenda in February. Jim said he and Judy would go if no one else wanted to. Reps will be decided at the May 1 annual meeting.

Blind Alley Quote: The best quote for the window covering in the Fireside Room is from Blind Alley. Document was shared via email in packet. Steve made motion to approve \$1500 from the Undesignated Memorial Funds be spent to get this improvement done. Karol seconded. Motion approved.

Columbarium: There are 80 unsold niches left in the Columbarium Garden. Gary Powers and the board are asking the council to approve money from fundraisers over the summer be designated for additional niches. A visual sample of what they would look like was available to look at. The entire structure is moved in as one unit with a crane. The Dewey's have agreed to do hamburgers and hotdogs for Memorial Day and Fourth of July.

Hymns and Hops Fest: The Christian Education Board would like council to approve us hosting something similar either on the church campus or at a local brewery. A sample flyer was included in the packet sent out before this meeting. Brief discussion occurred about getting a liquor permit. Council agreed to get further info and revisit this idea.
