Message from our Pastor

Happy, July 4th!!! We celebrate our freedoms and we remember all those who have given their lives to protect this freedom and we extend a word of gratitude and thanks to all who have selflessly served. With this freedom comes great responsibility for all of us to do justice, walk humbly and do what we can to bless each other in this shared humanity.

July is a month for us to celebrate the young people of our church family. We have a couple of key events coming in the month of July that celebrate, uplift and encourage our youth. We have 13 persons who will be attending camp up at Camp Pinerock, in Prescott, AZ from July 3-7. These are youth ranging in grades 6-12. This is part of the Synod wide camp consortium group known at Campformation. We currently have 13 churches who will be represented at camp from all around Arizona and Nevada.

We will gather for 5 days to enjoy and explore the beauty and the wonder of God's handiwork. It will be a unique experience for many of our youth as many of them come from urban, metropolitan areas. It will also be a time of experiential learning as the words of scripture come alive for our youth through creation exploration, worship in the natural setting of trees, rocks and creatures. They will learn through hands on activities and games as well as hands on participatory worship and Bible study. One of our young adults from 2022 made the statement, "It was the best week of my life." A testimonial to the power of God's spirit working through nature and hands on learning.

July is also the month when we will be extending an invitation to the entire Lake Havasu City community to join us for 3 days of Vacation Bible School. Once again, a time for youth to refocus and take their minds and their eyes off of all the multiple images, messages and media sources that seem to dominate the lives of our youth today. Three evenings of music, bible stories, crafts, hands on learning and much more. VBS will be held from July 25-27. Starting late afternoon around 5:30 and concluding around 8:30 each evening.

Please consider being a part of this 3 day event and come be a mentor to the youth from our community. Contact Shelly Hales to let her know you will take up the call to serve and share your gifts and talents. An organizational meeting will take place on July 16th. Stay tuned for further details.

Message from our Pastor *cont'd pg. 1*

A quick word about the blended worship on Sundays through August 13. I have heard many positive comments and it appears to be going well. I know from my own perspective it feels good to be in a worship context on Sunday morning with the sanctuary that looks and feels semi-full, with a good sense of energy and enthusiasm.

Continue to do those little things, like making a phone call to someone who you know is living alone. Make a daily check in call with someone to say hello and offer a word of assistance where needed. Pray the names of all the people on our prayer concern list from the church bulletin. Mention each person by name. Live into the grace and love of Christ today and every day. Acknowledge your identity in Christ as a child of God and consider where it is that Jesus is calling you today to serve, extend compassion and bless someone.

Grace and peace,

Pastor Craig

A Message from the 2023 Grand Canyon Synod Assembly,
From Butch & Betty Shaffer

We have had the pleasure and privilege to represent Mount Olive Lutheran Church at this year's Grand Canyon Synod Assembly, which was held at the Resurrection Lutheran Church in Oro Valley, AZ., on Friday and Saturday, June 9th and 10th. We were warmly welcomed to the beautiful campus and were treated to refreshments and free time to explore and renew or cultivate new friendships. The theme for this years assembly was "Be Bold in Our Baptism."

Friday afternoon opened with worship, a bit of procedural business and then our remarkable keynote speaker Rev. Dr. Anthony Bateza, the Associate Professor of Religion at St. Olaf College in Northfield, Minnesota. He had our attention from word one when the title of his talk displayed on the screens said..."Keep Your Clothes On!" He proceeded to prove what an inspirational story-teller and teacher he could be.

We then recognized congregation milestones and newly ordained ministers . We also celebrated rostered minister anniversaries and retirements. Bishop Deborah Hutterer, who recently visited Mount Olive, was the officiant of the Assembly and kept us on task, on time and always made us feel very welcomed. Our last speaker on Friday was Pastor Sara Cutter, Senior Director of Operational Effectiveness, from Hickory, North Carolina, who was the ELCA churchwide representative at our Assembly. She, too, was an exceptional orator, and we wish our entire congregation could have been there to hear her with us.

Friday evening culminated with a special event hosted at the Tucson Children's Museum, where we ate from HUGE charcuterie boards, enjoyed Sonoran-hot dogs, ice cream treats and beverages, plus we could roam from room to room to be entertained.

Saturday presented us with the opportunity to hear both keynote speakers again, a bit more business to attend to, and then a moving presentation by Sister Angelica (Lika) Marcias, who started an immigration shelter in Nogales, Mexico to temporarily house immigrant families or individuals in legal transition into the United States. Her "Little piece of home" has served over 2,500 people since its inception in 2020, and our Synod is one of four agencies that support this endeavor.

We had a beautiful closing worship ceremony to cap off the Assembly and left feeling Grateful and Determined to be "Bold in Our Baptism."

We realize that a lot of us really do not hear much about the "goings on" of our Synod. We were reminded to forward to our congregations that the Grand Canyon Synod has a website, with endless information. Website is : www.gcsynod.org

We wish to thank Mount Olive Lutheran Church for the inspirational experience of attending this Assembly. We encourage everyone to give some serious thought to attending next year's Assembly, which will be held in Phoenix.

Happy Work Anniversary

Jenifer Clark

**Program and Communications
Manager**

After leaving Southern California, Jennifer and her family found themselves in Lake Havasu. About that same time, she started attending Mt. Olive. It's been 20 years after that first visit when she and her kids fell in love with the church and the very welcoming environment.

Jennifer has held jobs in multiple industries which makes her a great fit for her current role as Mt. Olive's Program and Communication Manager.

Jennifer likes to live by the words, "Never underestimate the Holy power of a nap and a snack".

Her favorite Bible verse is Isaiah 43-2:

When you pass through the waters, I will be with you;
and through the rivers, they shall not overwhelm you;
when you walk through the fire you shall not be burned,
and the flame shall not consume you.

On July 7th, Jennifer will be celebrating her 8th year as an employee at Mt. Olive Lutheran Church.

Thank you Jennifer for all you do for Mt. Olive Lutheran Church and the congregation! We appreciate you!

Jesse Clark

Custodian

Jesse moved to Lake Havasu when he was only 6 months old. Jesse loves it here; loves paddle boarding, being outside, just having a good time. However, he is slowly getting sick of the heat, ha. Jesse has been attending Mt. Olive a little over 10 years with his beautiful and loving wife and 6 kids.

Jesse's favorite quote is, "Don't walk in front of me because I might not follow. Don't walk behind me because I might not lead. Walk beside me and be my friend."

His favorite Bible verse is John 3:16 because it is the ultimate example of love and sacrifice. A very good reminder of how much God loves us.

For God so loved the world that he gave His only Son, so that everyone who believes in Him may not perish but may have eternal life.

On July 7th, Jesse will be celebrating his 8th year as an employee at Mt. Olive Lutheran Church.

Jesse, everything you do for Mt. Olive and the congregation is greatly appreciated! Thank you for your dedication and hard work!

Summer is here, kids are out of school, families are planning vacations, services are changing and we are preparing for the hot days ahead. As we enter this time may we take pause and reflect through meditation and prayer how the Holy Spirit is moving and working within us. All of us, collectively are the body of Christ. How does that change and shape how we interact with each other and within our congregation and community? Council is working through strategic long-range planning, may we also prayerfully consider our readiness to act as the Spirit leads and calls us.

NETWORKTABLE™

Social Capital for the Common Good.
A MODEL OF OPEN TABLE INC.

Thank you, Mount Olive Church Members, for your Support!!

Network Table has wrapped up our year and a half support project for **Guiding Light Christian Educational Center**. We thank you; we could not have done it without your support.

God is good!

We were able to accomplish more than we could have imagined at the beginning. With the training and support we received from Open Table's Jon Katov and Angie Williams, we were able to provide Guiding Light with new exterior windows and doors, proper fall-zone safety edging for outside play equipment, and critical periodontal work for a valuable staff member.

There are a number of ways to look at the **financial impact** of these projects. Without taking discounts into consideration, the table was able to finance over \$20,000 worth of work for Guiding Light. If the retail value of the work including labor and the time of the table members are included, over **\$40,000** worth of work was provided to Guiding Light. The **real value** of this work allows Guiding Light to focus their time and money on **raising up happy and healthy children** who are part of Lake Havasu's future.

We'd like to thank **Nadine Bartels**, director and **Shanta Abbott**, owner of Guiding Light Christian Educational Center for their faithful and fun participation in this project. You were a light to our paths. Finally, here are the donors and direct participants in these projects. If we have missed anyone, we apologize. Please let us know.
