Message from our Pastor

Just as a point of reference, three years ago, we as a country, world and local faith community were still in the midst of the Covid-19 pandemic. We had not worshipped in the sanctuary for about 4-5 months and we were just resuming worshipping in person.

Obviously, we had safety precautions in place with distancing and masking, but we were together. We were also in the process of having the new camera system installed in the sanctuary to enhance our livestream capabilities. What a blessing this new system has been.

We have come a long way since that time 3 years ago and there is a sense of normalcy. In-person worship has still not recovered or come back from what it was pre-covid. Our winter visitor worshipping community has come back steadily but still lagging. We have seen a significant increase in livestream attendance and many of the other ways that we reach out into our community with social media are seeing either steady or modest increases in participation. Many of our home bound members are truly grateful for the opportunity to still have the weekly worship connection with us. That is only a small portion of the people we are reaching. Many of our winter visitors tune in regularly as well as many former members who have moved away.

Retiring the debt has also been "a positive" for the congregation as we seem to have a much better revenue stream with weekly offerings. Removing a monthly obligation of \$6,000 toward debt reduction lifted a great burden from our operating expenditures. The online or electronic giving and the use of ACH bank processing has also provided for a convenient way for people to support the ongoing ministry here at Mount Olive.

Message from our Pastor *cont'd pg. 1*

As we move into the month of September, I will be away for some much-needed time off with another trip to the great north country of Minnesota and Ontario, Canada. Golfing and fishing will be the order of the day and the week when I am away with some of my former camp director comrades.

We have the special congregational meeting on Sunday, Sept. 17th following the 10:00 worship. We will be deciding on a by-law change to have one annual meeting per year. If the by-law change is enacted we will be moving to a one annual meeting format in December each year, where the annual budget will be approved and church council members will be elected along with board members for the Planned Giving and Endowment Board. A nominating committee will also be elected at the meeting on the 17th if the by-law change is approved.

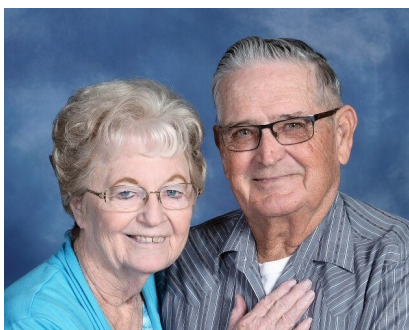

Looking forward to increased activity around the parish with choir, committees, confirmation, quilters, crafters, wood workers, small group gatherings, book study group, bible study and the return of many of our members who have been away for the summer months. Morning coffee on Wednesdays returns in October.

Grace and Peace, Pastor Craig

Hualapai Picnic Update

[This Photo](#) by Unknown

The Hualapai picnic has been rescheduled for next year due to other scheduled events that limit our resources and the ability of many members to attend the event. We plan to hold a 'Welcome Fall' Potluck picnic in the Parish Center on Saturday September 30th from 1130 to 3PM with fun, food and fellowship close to home that will not limit the congregation from attending other events scheduled on Sept 23rd. Please look for more information. We plan to return to the Hualapai Mountains next year to enjoy the cool weather and our Saturday Church service. We apologize for this change in plans but wish to allow everyone to enjoy all the wonderful events offered.

Trunk or Treat

Trunk or Treat is coming to our church on October 31st 430PM to 730PM. We are looking for a few ghosts and ghouls to volunteer to decorate their trunks and join in the fun! Set up will begin at 330PM and there will be prizes for the best decorated trunks as well as one for just participating. If you can't attend, you can always help by donating candy. We will also be collecting candy for the event. Look for our basket in the Narthex or you can drop it off in the office in September and October. It is always a fun event and hope you can join us!

Happy Work Anniversary

Sharon Harvey
Choir Director,
Traditional Service

While interviewing Sharon Harvey, I asked her what her favorite Bible verse was and why. This is what she told me, “I’ve always liked that verse in Proverbs 25:11, ‘Like apples of gold in settings of silver is a word spoken in right circumstances’ (NASB). Another version puts it this way, ‘A word fitly spoken is like apples of gold in settings of silver’ (NKJV). The visual picture is unusual and striking...gold apples on a silver platter. The way this verse features the power of words has always fascinated me. Certainly, we wish to say an appropriate word at the right time. Certainly, we hope that our lives could be like well-placed flowers in a vase not just shoved into a container without much thought. Words are so important, and we all need help to say things as we ought.”

Eloquent and thoughtful words from our Choir Director! Having had the privilege of attending Bible studies with Sharon in the past, one of the things I remember is her encouraging us to look at any Bible verse from different angles, from different Bible versions, and how that can help us clarify God’s meaning behind his words. Not only is Sharon a gifted musician, she is also a great teacher of the Bible. Please help us congratulate her on her anniversary as a trusted employee of Mount Olive!

Christian Education Committee is seeking a new chairperson. Amy Conway has faithfully served for more than 9 years! Christian Education supports adult bible studies, book studies, men’s and women’s groups, family education, programs for parents, and education for youth and young children, all aspect of Christian education in all stages of life. We need your support and leadership skills. Please consider your abilities and talents to lead this ministry. Commitments are limited to one meeting per month where the group will discuss education offerings and report on the progress of each program as well as bring new ideas for ministry and educational programs or support best suited to our congregation its needs and growth. You will find a dedicated base of committed volunteers and you will not be alone, we work as a team for the support of each member!

Happy Work Anniversary

Kevin Jackson Praise Band Director

When I asked Kevin if there was anything he'd like the congregation to know about him, he was very open and honest in telling his story. We all know that simply being raised Lutheran doesn't necessarily mean our lives will be easy, but we do know that our faith teaches us that God will always be with us! Kevin had drifted into a path of alcohol, drugs and eventually prison. While in prison, God spoke to Kevin telling him that he was going to serve God...either behind those prison walls or in front of them. He also met a "fallen preacher" in prison that prophesied to Kevin that he would "Go to the desert and change the church". Kevin didn't live in the desert, he lived in the L.A. area in California, so after being released from prison, he returned home and joined a church where he was given the opportunity to play music for the children...every once in a while. He didn't feel this was exactly what God meant by "Changing the church". He eventually came to Lake Havasu visiting his friend (and ours!), Vereen White. Vereen kept encouraging Kevin to come to Mount Olive. After a long while, he finally did and was encouraged by Marcella, our Choir Director at the time, and Pr. Jim Price to help start a contemporary music service. As the contemporary service grew and became successful, Pr. Jim told Kevin that he had, "Come to the desert and changed the church!"...the very same words prophesied to Kevin years ago! Confirmation that Kevin knew he was following the path God had in store for him by living his favorite Bible verses from Joshua Chap. 1, "Be of good courage and do not be afraid!". I think those of us that have been blessed by Kevin's musical talents would agree! When you see Kevin, please congratulate him on his 11th anniversary at Mount Olive!

UPDATE: Network Tables for Child Care Centers Expansion in Arizona

In our final Network Table update, we'd like to share a little more about where Open Table is headed with network tables for child care centers. **We'd like to highlight what is coming for Lake Havasu!**

As noted in February, our success has helped Open Table receive grants to support additional tables in Arizona. Ten tables in Phoenix and five tables for various locations in the state are in various planning stages. **Open Table partnered with Zion Institute** (www.thezioninstitute.org) in South Phoenix. Zion Institute's mission is to help South Phoenix communities break the cycle of generational poverty by partnering with service organizations, small businesses, and other community members. Open Table trained a network table to support **two new child care centers** who are being mentored by Zion Institute: **Much Moore Academy and Imagination Learning Center**. Much Moore plans to open soon and Imagination Learning Center received their license mid-August. Their Network Table is hard at work, helping them move ahead.

The grant application submitted by Open Table to Lake Havasu City was accepted earlier this year. **Open Table received a grant to support five more tables in Lake Havasu!** The Open Table team is planning table recruiting events and outreach to the local child care centers. The new network tables may be church-based, community organization-based, or made up of any interested community individuals. **Please pray for the expansion of network tables in our community.** If you are interested in participating or know anyone you think may be interested, please have them contact Kim Corbin

Thank you, Mount Olive members, for your support of this vital community ministry! We are grateful for your partnership and prayers.

Motion carried.

Minutes from the Last Meeting: Shelly Hales called for any corrections or additions to the June 20, 2023 minutes. Although not a correction, Kris Kidder raised a question about the Bookkeeping position being exempt from a formal job description because it IS a paid position at this time. She will bring it up again at the next meeting of the Personnel Committee. Pastor Craig noted an error in the spelling of Jesse and Jen's last name. Jim Day moved to approve the minutes as corrected. Kris Kidder seconded. Motion carried.
